Departmental Honors

The department awards honors to undergraduates who demonstrate exceptional academic achievement. Students should make their intentions known in writing before the final undergraduate semester, preferably during the junior year. The candidate must achieve a minimum overall grade-point average of 3.25 and a minimum of 3.5 in the major and complete EALC 499 with a grade of B or higher. In EALC 499, the student writes an honors thesis under the supervision of a faculty member. Two faculty members evaluate the thesis.

Study Abroad

Students are encouraged to undertake a substantial study abroad experience as part of the major. Studying abroad helps students master the language and affords them cultural understanding far beyond what can be conveyed in a classroom.

KU offers several options for academic-year abroad, direct-exchange programs for undergraduates and graduates in China (Nankai, Nanjing, Huazhong Normal universities and the University of Hong Kong), Japan (Fukuoka, J.F. Obirin, Okayama, Sophia universities and Tsuda College) and South Korea (Korea University). The department sponsors a five-week study abroad program in Hiratsuka, Japan, every summer.

The study abroad office also helps students find other summer, semester, or academic-year programs that meet unique student needs. Credit is usually similar to credit earned during an academic year at KU, and costs are about the same. Some scholarship aid is available. Consult the Office of Study Abroad (http://www.studyabroad.ku.edu) for program and scholarship information as well as program offerings in other countries in Asia.
