² Visit this website (http://college.ku.edu/undergrad/curriculum/ba_QR) for a list of courses that fulfill the BA Quantitative Reasoning requirement.

³ Geography majors must complete five courses (15 hours) at the 200-500 level, from at least 3 of the following 4 groups: Regional Studies, Physical Studies, Geographic Information Science, Human Studies.

⁴ GEOG 316 is a fall only course.

Please note:

All students in the College of Liberal Arts and Sciences are required to completed 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
