Global & International Studies International Electives. Majors must take 3 courses from the list of approved international elective courses. Students are strongly encouraged to strategically select a cluster of three courses that would help them to maximize a double-major with another program. For example, students double-majoring in geography or history, should select their international electives from the list of approved GEOG or HIST courses. Likewise, students majoring in Latin American Studies or Russian, East European and Eurasian Studies, should choose their courses from the approved list of LAA or REES courses. Students may, however, select from any of the approved courses available.

The following list shows the most commonly taught approved international electives. To see a full list of approved courses for the international elective, consult our website (http://global.ku.edu/courses-1). Other courses may also be approved in consultation with the department.
