Graduate Certificate in Historic Preservation

Students must complete 12 credit hours from the courses listed below.

Total required credit hours: 12

Arch 646: American Architectural History (3 cr)

ARCH 647: Historic Preservation Theory (3 cr)

ARCH 648/ UBPL 760: Historic Preservation Planning (3 cr)

Arch 649: Historic Preservation Technology (3 cr)

These courses will be available via distance delivery or online.

All students working toward the Historic Preservation Certificate should take Arch 647 Preservation Theory and UBPL 760. Arch 649 Preservation Technology course could be replaced with Arch 608 (or higher level) architecture studio that works on an adaptive-reuse of a historic building, or with HIST 722/ MUSE 706 Conservation Principles and Practices. Students could take HA 675 American Vernacular Architecture to replace Arch 646 American Architectural History.
