

# Graduate Certificate in Participatory Design

---

Students may elect 12 hours of graduate-level credit from the courses listed below to satisfy specific curricular requirements for this certificate program. Students in the professional M.Arch program may enroll in one of the Architecture Design Courses (509, 608, 804 and/or 810) and complete the certificate requirements by taking any two public-interest-design electives. Students from outside of the School could take any of the public-interest-design electives.

Code	Title	Hours
ARCH 700	Directed Readings in Architecture: (Required; Directed Readings in Participatory Design is an introduction to participatory methods, theories and case study examples of participatory design. Asynchronous/online--summer course offered. )	3
ARCH 509	Designbuild	6
ARCH 608	Urban Dwelling	6
ARCH 804	Design-Build and Materiality II	6
ARCH 810	Public Interest Design Studio (with Professor Joe Colistra)	6
ARCH 600	Special Topics in Architecture: _____ (or ADS560; courses must be community engagement focused)	3
