

Minor in International Business

Minor in International Business

The international business minor encourages both business and non-business students to explore the international dimensions of business.

This minor is open to students in the B.S.B. degree program pursuing one of the business majors. It cannot be earned in addition to the co-major in international business.

This minor is open to non-business students. Progress through minor coursework may require satisfaction of some prerequisites in addition to required and elective coursework toward the minor.

Requirements:

The International Business Minor includes 18 hours of coursework, consisting of 9 hours of required courses plus 9 hours of electives, as well as language and cultural broadening requirements. This minor is open to all students at the University of Kansas.

Note: Consistent with the Business Minor program, students must earn a cumulative "C" average to complete the International Business Minor.
