

# Master of Science in Supply Chain Management and Logistics

---

SCM 710

Capstone in Supply Chain Management

3

6 hours of elective content or US Army CGSC transfer credit

The Master of Science degree program is for students who have completed a baccalaureate degree in business or a related field and want to do concentrated study in supply chain management and logistics.

Supply chain management is only available at Fort Leavenworth in Leavenworth, Kansas. The program is lockstep and should be completed in 2 semesters. Six hours of credit are afforded to students from academic work at US Army Command and General Staff College.

## Admission to Master's Programs

Graduate programs are open to those who have earned baccalaureate degrees from accredited colleges or universities and whose undergraduate academic records, scores on the required standardized examination, and prior work experience indicate that they have the capability to complete the program. Admission to all programs in business is limited based on space, facilities, faculty, and other resources.

All applications for admission to the M.S. programs must include:

1. Graduation application at <https://business.ku.edu/graduate-programs/masters-supply-chain-management> (<https://business.ku.edu/graduate-programs/masters-supply-chain-management/>)
2. 1 official transcript from each college or university attended,
3. Personal statement,
4. A current résumé,
5. Scores on the TOEFL (if required).

Completed applications are reviewed by committee, and action is taken on them periodically throughout the year. Each applicant is notified by Graduate Studies of the action taken on his or her application.

All admissions to any graduate program in business are subject to and in accordance with all rules and regulations. See Admission ([http://policy.ku.edu/graduate-studies/admission-to-graduate-study/?num1\\_1=](http://policy.ku.edu/graduate-studies/admission-to-graduate-study/?num1_1=)) in the Graduate Studies section of the online catalog for more information.
