## KU Core 34

To view a list of courses and experiences approved to meet the learning outcomes of the KU Core Curriculum, click here (http://kucore.ku.edu/). The KU Core Curriculum was unveiled in Fall 2013. In Fall 2024, KU Core 34 was implemented to align with the Kansas Board of Regent's statewide general education (SGE) framework. The KU Core 34 is the university-wide general education curriculum all incoming students complete. By completing the KU Core 34, the successful graduate will:

- Acquire essential skills for academic, professional, and academic growth
- Build a broad background of knowledge within arts and humanities, social sciences, and the natural and physical sciences
- · Gain an appreciation for U.S. and global cultures
- · Cultivate ethical integrity and personal responsibility

The KU Core 34 general education curriculum serves as the foundation to the KU undergraduate education and the building blocks to lifelong learning. The KU Core 34's learning outcomes allow students to build knowledge and skills from the following content areas:

- English
- Communications
- Math & Statistics
- Natural & Physical Sciences
- Social & Behavioral Sciences
- Arts & Humanities
- U.S. Culture
- Global Culture

## **Fulfilling the KU Core**

The KU Core is comprised of 34-35 credit hours and/or units typically completed during the first two years of study. Courses required for a degree program may simultaneously satisfy a KU Core requirement. A KU Core credit can be earned through a single approved course and/or a preapproved educational experience.

\*Students are encouraged to complete a 3-credit hour social responsibility/ethics course as part of their Arts & Humanities 6-hour requirement. These courses are designated with an asterisk in the Arts & Humanities course list below.
