Total Hours 120

- Refer to the Anthropology degree requirements page of the catalog for a list of courses to fulfill this requirement.
- Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal.

This plan accounts for a student's options with the general concentration in Anthropology. If interested in Archaeology, Biological, or Sociocultural concentrations, specifically, see catalog for course options.

Students considering graduate school should take at least 2 courses beyond major requirements. These courses should be chosen in consultation with a faculty advisor.
