- For students completing the language requirement via the 3+1 language option, note that many first semester languages are 5 credit hours
- Visit this page (<https://catalog.ku.edu/liberal-arts-sciences/#ba-quantitative-reasoning>) for a list of courses that fulfill the BA Quantitative Reasoning requirement
- 6 hours of ABSC Concentration Area elective courses are required. Visit the degree requirements (<http://catalog.ku.edu/liberal-arts-sciences/applied-behavioral-science/ba-bgs/#requirementstext>) tab for a list of approved courses.
- 6 hours of practicum are required, taken across two semesters. These hours must include three hours (minimum) of ABSC 683; the remaining three hours may include ABSC 683, ABSC 675, and ABSC 677.
- Hour requirements (incl. 45 jr/sr hrs) are typically met through Core 34, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

Students who wish to sit for the Child Life Specialty Certification Exam administered by the Association for Child Life Professionals (ACLP) are encouraged to consult the ACLP's eligibility requirements (<https://www.childlife.org/certification/becoming-certified/requirements-after-2019/>) webpage, and plan their electives to meet these requirements. Students may elect to take other courses (instead of those required by ACLP) to complete the concentration/major. However, doing so may render the student ineligible to sit for the Certification Exam.

In addition, the ACLP requires a 600-hour internship supervised by a Certified Child Life Specialist. The student must arrange for this internship outside of the degree requirements.
