- The BA requires completion of two courses of collegiate-level writing instruction. Students who test out of Composition will still need to complete ENGL 102 (or equivalent) and one additional Goal 2.1 course.
- Visit this website (<https://collegeadvising.ku.edu/ba-quantitative-reasoning-courses/>) for a list of courses that fulfill the BA Quantitative Reasoning requirement.
- 11 hours of ABSC specialty area electives are required. Visit the degree requirements (<http://catalog.ku.edu/liberal-arts-sciences/applied-behavioral-science/ba-bgs/#requirementstext>) tab for a list of suggested courses, or consult with a major advisor.
- Two semesters are required: ABSC 679 and ABSC 675-ABSC 680. The courses are offered for 3-5 credit hours during the fall and spring semesters, and for 3 hours during the summer session. Note: ABSC 308 must be taken prior to, or concurrently with, enrollment in the above practicum courses.
- Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.
- For students completing the language requirement via the 3+1 language option, note that many first semester languages are 5 credit hours.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific

requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
