*Courses with a * designate courses that are degree requirements but can also be taken to fulfill the KU Core 34 requirement. If another course is used to fulfill the Core 34 requirement, the course listed is still required as a degree requirement.

Students who wish to sit for the Child Life Specialty Certification Exam administered by the Association for Child Life Professionals (ACLP) are encouraged to consult the ACLP's eligibility requirements (<https://www.childlife.org/certification/becoming-certified/requirements-after-2019/>) webpage, and plan their electives to meet these requirements. Students may elect to take other courses (instead of those required by ACLP) to complete the concentration/major. However, doing so may render the student ineligible to sit for the Certification Exam. In addition, the ACLP requires a 600-hour internship supervised by a Certified Child Life Specialist. The student must arrange for this internship outside of the degree requirements.
