

Minor in Pre-Medicine

including F's and repeated courses. See the Semester/Cumulative GPA Calculator (<https://sis.ku.edu/gpa-calculator/>).

The pre-medicine minor is intended for students who are interested in pre-health pathways, and is open to students pursuing any major. The pre-medicine minor is intended to introduce students to courses that provide a window into the range of pre-medicine courses; some courses in the minor are typically required for the MCAT and others are typically required for applicants to medical school.

The minor is not intended to cover all of the prerequisites students may need for medical school, which varies across medical schools. This minor allows students to demonstrate that they have completed courses relevant to the field of pre-medicine while providing them with an opportunity to major in any other field of study.

Code	Title	Hours
SOC 104	Elements of Sociology	3
or SOC 160	Social Problems and American Values	
PSYC 104	General Psychology	3
CHEM 330	Organic Chemistry I	3
CHEM 331	Organic Chemistry I Laboratory	2
Physics Course (Choose one of the following)		4
PHSX 114	College Physics I	
PHSX 211	General Physics I	
Biology Course (Choose one of the following)		3-4
BIOL 600	Introductory Biochemistry, Lectures	
BIOL 636	Biochemistry I	
Elective		1-3
Any BIOL Course 400-699		
COMS 441	Health Communication
