1. The BA requires completion of two courses of collegiate-level writing instruction. Students who test out of Composition will still need to complete ENGL 102 (or equivalent) and one additional Goal 2.1 course.
2. Visit this website (https://collegeadvising.ku.edu/sites/collegeadvising.ku.edu/files/docs/BA.QuantityReasoning.pdf) for a list of courses that fulfill the BA Quantitative Reasoning requirement.
3. The Classical Languages major requires 15 hours of advanced language study beyond GRK 108 and LAT 108, beginning with LAT 112 or GRK 301. Must complete at least 3 semesters in LAT or GRK, and one semester in the other in order to fulfill the BA Language Requirement.
4. Choose from the approved list of Classical History courses found on the degree requirements (http://catalog.ku.edu/liberal-arts-sciences/classics/ba-bgs-classical-languages/#requirementstext) tab.
5. Choose from the list of approved Ancient Art & Archeology courses found on the degree requirements (http://catalog.ku.edu/liberal-arts-sciences/classics/ba-bgs-classical-languages/#requirementstext) tab.
6. Two courses (6 hours) of additional electives are required for the Classical Languages major. See the degree requirements (http://catalog.ku.edu/liberal-arts-sciences/classics/ba-bgs-classical-languages/#requirementstext) tab for a list of approved elective courses.
7. Typically KU Core Goal 6 is fulfilled by a major course. If an approved Classical Languages course is not available to fulfill Goal 6, another course will need to be chosen. A free elective may need to be used to meet Goal 6 course pre-requisites.

Please note:

All students in the College of Liberal Arts and Sciences are required to completed 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
