Total Hours 120

- ¹ The BA requires completion of two courses of collegiate-level writing instruction. Students who test out of Composition will still need to complete ENGL 102 (or equivalent) and one additional Goal 2.1 course.
- ² If you have previous training in Greek, please speak to an undergraduate advisor in Classics as soon as possible, so that you can be placed in the correct language class.
- ³ It is possible to overlap your KU Core Courses with Classics major requirements; see below for all options. Your advisor can help you create a degree plan that maximizes your choices.
- ⁴ 15 hours of Greek Language and/or literature (prefix course code - GRK) courses at the 300-level or above required
- ⁵ 12 hours of additional courses in Classics or related subjects required. This can include any course in the Classics department (course prefix codes - LAT, GRK, or CLSX). Related courses from other departments may be substituted but require written permission from the Chair or the Director of Undergraduate Studies.
- ⁶ Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.
