Total Hours 120

- ¹ If you have previous training in Greek or Latin, please speak to an undergraduate advisor in Classics as soon as possible, so that you can be placed in the correct language class and explore options for receiving retroactive credit for your previous study of the language.
- ² 15 hours or Greek or Latin Language and/or literature courses (course code GRK or LAT) at the 300-level or above required.
- ³ 9 hours of additional courses in Classics or related subjects required. This can include any course in the Classics department (course prefix codes - LAT, GRK, or CLSX). Related courses from other departments may be substituted but require written permission from the Chair or the Director of Undergraduate Studies.
- ⁴ Students planning to take 300-level Latin courses will need to complete LAT 112 or equivalent. LAT 112 will not count as a 300+ Language/ Literature course so students may need to adjust graduation plan to meet overall requirements, please consult with academic advisor.
- ⁵ Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.
- ⁶ It is possible to overlap your KU Core Courses with Classics major requirements; see below for all options. Your advisor can help you create a degree plan that maximizes your choices.
