Bachelor of Arts in East Asian Languages and Cultures

Why study East Asian languages and cultures?

China, Japan, and Korea are three of the oldest continuous civilizations in the world, offering rich literary and philosophical traditions, vibrant contemporary cultures, and cutting-edge technological innovation. Mainland China and Japan are the world’s largest economies after the United States and, along with South Korea and Taiwan, are key U.S. trading partners. The economic and political relationship between the U.S. and East Asia will be among the most important for the U.S. in the 21st century.

With an EALC B.A., students can pursue a range of careers in business, government, education, nonprofit organizations, to name a few, or continue on to graduate study in East Asian languages and literatures. Many students pair an EALC major or minor with a second major to widen their skill set and increase their competitiveness as they enter the global marketplace. Some students choose EALC related courses to connect with their heritage or to fulfill personal interests.

Undergraduate Admission

Admission to KU

All students applying for admission must send high school and college transcripts to the Office of Admissions. Unless they are college transfer students with at least 24 hours of credit, prospective students must send ACT or SAT scores to the Office of Admissions. Prospective first-year students should be aware that KU has qualified admission requirements that all new first-year students must meet to be admitted. Consult the Office of Admissions (http://admissions.ku.edu) for application deadlines and specific admission requirements.

Visit the International Support Services (http://www.iss.ku.edu) for information about international admissions.

Students considering transferring to KU may see how their college-level course work will transfer on the Office of Admissions (http://credittransfer.ku.edu) website.

Admission to the College of Liberal Arts and Sciences

Admission to the College is a different process from admission to a major field. Some CLAS departments have admission requirements. See individual department/program sections for departmental admission requirements.

Major Hours & Major GPA
While completing all required courses, majors must also meet each of the following hour and grade-point average minimum standards:

Major Hours
Satisfied by 30-32 hours of major courses.

Major Hours in Residence
Satisfied by a minimum of 15 hours of KU resident credit in the major.

Major Junior/Senior Hours
Satisfied by a minimum of 30-32 hours from junior/senior courses (300+) in the major.

Departmental Honors
The department awards honors to undergraduates who demonstrate exceptional academic achievement. Students should make their intentions known in writing before the final undergraduate semester, preferably during the junior year. The candidate must achieve a minimum overall grade-point average of 3.25 and a minimum of 3.5 in the major and complete EALC 499 with a grade of B or higher. In EALC 499, the student writes an honors thesis under the supervision of a faculty member. Two faculty members evaluate the thesis.

Study Abroad
Students are encouraged to undertake a substantial study abroad experience as part of the major. Studying abroad helps students dramatically increase their foreign language proficiency and affords them cultural understanding far beyond what can be conveyed in a classroom. Employers value study-abroad experience in job candidates, making KU graduates more competitive as they enter global society.

Students are encouraged to talk to an EALC study abroad advisor (https://ealc.ku.edu/study-abroad) about the many options available for study abroad in the language they are studying. Study-abroad programs vary in length from several weeks to a full year. They include language-intensive programs (some allowing one to complete a year's worth of US-college course credit in Chinese, Japanese or Korean in eight weeks), programs that include non-language courses taught in English, and programs that offer an internship experience. We work with students to find a program that fits their requirements and degree plan. Credit from study abroad programs can be transferred and can almost always be used to fulfill requirements for the major.

KU offers scholarships for several full-year study abroad programs to China, Japan, and South Korea, and EALC offers a three-week study abroad program in Hiratsuka, Japan, every summer. The Office of Study Abroad (https://studyabroad.ku.edu/) offers help with the practical aspects of study abroad, as well as advice about programs and scholarships.
