Total Hours 120

- ¹ The BA requires completion of two courses of collegiate-level writing instruction. Students who test out of Composition will still need to complete ENGL 102 (or equivalent) and one additional Goal 2.1 course.
- ² Visit this website (<https://collegeadvising.ku.edu/ba-quantitative-reasoning-courses/>) for a list of courses that fulfill the BA Quantitative Reasoning requirement.
- ³ ECIV 104 is recommended to complete KU Core 4.2, but most EALC 300+ electives count towards KU Core 4.2, so KU Core 4.2 will be fulfilled through completion of the major.
- ⁴ Double Language majors must complete a two-semester sequence of Advanced Language in two languages chosen from: Japanese (JPN 504 and JPN 508), Chinese (CHIN 504 and CHIN 508), or Korean (KOR 504 and KOR 508).
- ⁵ Typically Goal 6 is fulfilled using a course required by the major. Review the list of Goal 6 courses (<https://kucore.ku.edu/goal-6/>) that may apply to the major, or choose another course. A free elective may need to be used to fulfill pre-requisites if a course within the major is not chosen.
- ⁶ EALC major electives will be chosen in conjunction with languages being studied and must be at the 300+ level.
- ⁷ Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of

study. Individual degree mapping is done in partnership with your advisor.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.

Electives for EALC must be taken at the 300+ level.

For clarification: when asked for a class on East Asia, classes on East Asia must be on East Asia broadly (so, a course on Japan, China, and Korea broadly)
