Total Hours 120-123

- All major required Geology courses and most Geology elective courses numbered 300 and above are offered once a year, either in the fall, spring or summer term.
- Geology BS majors are required to complete a third English, and a list of possible courses can be found under the Degree Requirements tab.
- GEOL 360, GEOL 560, and GEOL 561 are offered only in the summer.
- Majors with a concentration in Geophysics are required to complete 9.0 hours of additional Geology courses. A list of possible courses can be found on the Degree Requirements tab.
- Majors with a concentration in Geophysics are required to complete 6.0 hours of Technical Required Elective courses. A list of courses can be found under the Degree Requirements tab.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
