Bachelor of Arts in German Studies

Why study German Studies?

Knowledge of the language and culture of German-speaking Europe provides students with linguistic and transcultural competence that will enable them to participate productively in a rapidly changing world. German is an official language in six central European countries and the most widely spoken language in the European Union. The United States maintains important economic, political, security, and cultural ties with the German-speaking countries. About 50 million people in the United States claim German ancestry.

Our students complete a diverse and challenging program that encompasses not only the German language but also courses that explore literature, the arts, history, business, and politics. Our program is characterized by interdisciplinary flexibility, a variety of co-curricular activities, and personalized academic advising and mentoring. German Studies majors acquire research skills they need to study issues relevant to our field. Many German Studies majors and minors study abroad for a summer, semester, or year, often supported by departmental scholarships, and some complete internships in Germany. All German Studies students have opportunities to make use of the rich resources available at KU, including the Spencer Museum of Art, KU Libraries, Max Kade Center for German-American Studies, Office of Study Abroad, and Center for Undergraduate Research. Our students tend to have a second major or a minor in fields such as Global & International Studies, History, Business, Environmental Studies, Music, Microbiology, and Linguistics.

Our graduates have pursued their passion for language and culture in many ways: working for a non-profit organization affiliated with the U.S. Department of State; translating for a medical software company; serving on the human resources team of a global German sporting goods company; working as copy editor of a newspaper; and pursuing graduate work in Germanic languages & literatures, social welfare, law, and speech pathology.

Undergraduate Admission

Admission to KU

All students applying for admission must send high school and college transcripts to the Office of Admissions. Unless they are college transfer students with at least 24 hours of credit, prospective students must send ACT or SAT scores to the Office of Admissions. Prospective first-year students should be aware that KU has qualified admission requirements that all new first-year students must meet to be admitted. Consult the Office of Admissions (http://admissions.ku.edu/) for application deadlines and specific admission requirements.

Visit the International Support Services (http://www.iss.ku.edu/) for information about international admissions.

Students considering transferring to KU may see how their college-level course work will transfer on the Office of Admissions (http://credittransfer.ku.edu/) website.

Admission to the College of Liberal Arts and Sciences

Departmental Honors in German Studies

To qualify for the B.A. in German Studies with departmental honors, the student must have a minimum grade point average of 3.5 in German Studies at graduation. Students must complete an honors research project during their final year at KU. Topics are selected in consultation with the faculty thesis director from Germanic Languages & Literatures. Applications for departmental honors must be submitted by the end of the first week of classes, normally during the fall of senior year. Upon acceptance of an application, the student registers for the GERM 598 - GERM 599 sequence. The student presents the completed research project to the thesis director and two other members of the Departmental Honors Committee about one month before concluding his or her final semester at KU. A grade of B or higher in GERM 598 and GERM 599 is

1. The BA requires completion of two courses of collegiate-level writing instruction. Students who test out of Composition will still need to complete ENGL 102 (or equivalent) and one additional Goal 2.1 course.
2. GERM 104, GERM 108, GERM 201, GERM 202, GERM 203, GERM 301, and GERM 302 all fulfill Goal 4.2 Global Awareness. Completing one of these courses fulfills Goal 4.2; it does not matter which course a student takes to begin German language study.
3. Visit this website (https://collegeadvising.ku.edu/sites/collegeadvising.ku.edu/files/docs/BA.QuantityReasoning.pdf) for a list of courses that fulfill the BA Quantitative Reasoning requirement.
required for departmental honors. GERM 598 and GERM 599 may not be used to satisfy other course requirements.

**Study Abroad**

The department conducts two Summer Language Institutes in Germany for students in second-, third-, and fourth-year German. Students normally enroll for 6-9 credit hours and live with German families.

Juniors and seniors are encouraged to spend a semester or a full academic year at a university in Germany. Consult with the Office of Study Abroad and the Undergraduate Advisor early in your undergraduate career.

Graduating seniors may apply for Direct Exchange Program fellowships at universities in Germany. For information, consult the department (http://germanic.ku.edu/) or the Office of International Programs (http://www.studyabroad.ku.edu/).
