Total Hours 120

¹ MATH 101 is a prerequisite for SOC 380, which is a required course for the Sociology Major.

² Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.

³ Up to 3 hours of hours of SOC 490 or SOC 698, and 6 hours of SOC 499 are allowed to count toward the major.

⁴ Check the KU Core website to see which Sociology electives fulfill this goal. If a Sociology elective already taken is being used to fulfill this Core Goal, an alternate elective course will need to be taken to fulfill your total hours requirement.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
