<sup>1</sup> MATH 101 is a prerequisite for SOC 380 or PSYC 399 or ECON 399 or POLS 399 or MATH 365, which is a required course for the Health and Society Major. Students who are exempt from MATH 101 have met the prerequisite.

<sup>2</sup> Hour requirements (incl. 45 jr/sr hrs) are typically met through Core 34, degree, major, second area of study and/or elective hours. Individual degree mapping is done in partnership with your advisor.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

Look for Health and Society electives that can be used to fulfill Core 34 Goals in Social and Behavioral Sciences or Global Culture.
