

# Graduate Certificate in Epidemiology

---

The Certificate in Epidemiology provides students with both basic and advanced epidemiological knowledge. Students will complete courses in epidemiology, statistics and advanced epidemiology methods dedicated to case control, cohort and longitudinal studies.

A minimum of 12 post-bachelor's degree credit hours are required with a minimum GPA of 3.0 on a 4.0 scale. A typical full-time course plan is listed below for the Certificate in Epidemiology. It requires 12 credit hours of required coursework:

Required Courses (12 credit hours):

<b>Code</b>	<b>Title</b>	<b>Hours</b>
PRVM 800	Principles of Epidemiology	3
PRVM 875	Management of Public Health Data	3
BIOS 820	SAS Programming I	3
PRVM 841	Advanced Epidemiology I: Methods in Cross-Sectional and Case-Control Studies	3
PRVM 842	Advanced Epidemiology II: Methods in Longitudinal Studies	3
