Facilities

Murphy Hall

Murphy Hall, named for former KU Chancellor Franklin D. Murphy, houses the School of Music (<http://music.ku.edu/>). It is a 5-level facility with offices for faculty members in applied music, music theory and composition, musicology, opera, music education, music therapy, and ensembles. Designed for music and theater, it contains 4 performance areas.

- **Crafton-Preyer Theater** provides a venue for plays, operas, musical theater shows, and concerts. It is a fully equipped, 1,188-seat proscenium stage facility.
- **William Inge Memorial Theater** is an intimate black-box facility with seating for up to 125, suitable for plays and small opera productions.
- **Swarthout Recital Hall**, a 273-seat facility with exceptional acoustics, is dedicated to faculty and student solo and chamber music presentations and occasional opera productions. Swarthout Recital Hall has been fully remodeled and re-opened to public performances in April 2015.
- The **Baustian Theater**, a black-box facility for opera and musical theater productions, seats 125 and has a dressing room and wardrobe area, set construction and storage area, and office and performance control areas.

Murphy Hall also houses classrooms, practice rooms, rehearsal halls, and storage facilities for instruments and sheet music. The **Electronic Music Studio** contains a digital workstation for the recording and production of electronic music and video.

The **Thomas Gorton Music and Dance Library** in Murphy Hall houses more than 111,000 scores, books, sound recordings, videos, and serials, and has the leading music collection in the Great Plains. It features a public computer lab (with both Windows and Macintosh workstations); study carrels; comfortable seating; and public display of new acquisitions, current periodicals, and special exhibitions. Students can make full use of music and dance information resources. The Library also features a high-quality overhead scanner, a listening room with a vinyl record player, a multi-function printer, and an ADA-compliant workstation designed for use by those with impaired vision. The library's computer lab features a full suite of programs, including Microsoft Office, Adobe Creative Suite, and music notation programs such as Sibelius, Finale, and MuseScore. Students may also reserve our four meeting rooms for individual study and group meetings by submitting a request at lib.ku.edu/study.

The **Music Education and Music Therapy Complex** in Murphy Hall contains a model music education classroom, a general music instruction classroom, large and small music therapy clinical spaces, three research spaces (Human Learning Lab, Music Behavior Observation Lab, and Perception & Cognition Lab), faculty offices, and the MEMT Computer Lab. In addition, the complex houses a **Vocology Laboratory**, which affords excellent resources for research-based understanding of singing voice phenomena. The stationary lab facilitates acquisition and analysis of voice data in a controlled environment. It also provides mobile configurations of resources for field-based research and pedagogy in voice studios, choir rehearsal areas, classrooms, and music therapy clinics. Interactive distance delivery of specific music education and music therapy graduate courses are taught on campus and anywhere in the world.

Graduate Grade-Point Average (GPA) Requirement

In addition to tracking degree progress with your advisory committee and other requirements appropriate to the graduate degree, a student must attain and maintain at least a 3.0 grade-point average in all graduate courses.

Please note, once you begin enrolling in your graduate career **all courses 500 level and above will count towards your graduate GPA**, even if you are not counting those courses towards your degree or are taking them as pre-requisite courses. Students who obtain a GPA below 3.0 will be placed on academic probation or dismissed from the School of Music.

Progress towards Degree

All graduate students must have an approved plan of study by the end of their second semester of graduate study. All students must have an up-to-date Plan of Study on record with the Graduate Student Services Coordinator and an advisory committee in place before your final year.

Graduate Credit for Non-majors

Performance

Permission to enroll for graduate credit in applied music is determined by audition. This audition should be scheduled with the major division faculty at the beginning of each semester.

Music Education or Music Therapy

Permission to enroll for graduate credit in music education or music therapy is determined by the faculty advisor. Non-majors may enroll with permission from the faculty instructor.

Undergraduate Advising

Music students are advised by their assigned Jayhawk Academic Advisor and their assigned School of Music faculty mentor as well as being supported by the School of Music Student Services office. Faculty and staff in the School of Music work closely with Jayhawk Academic Advising to help undergraduate students achieve their educational goals, and to maintain the academic integrity of our degree programs. Together we welcome students, encourage them to be active participants in their educational experience, and celebrate their successes.

The School of Music encourages students to consult frequently with advisors/mentors/faculty/staff. Academic advisors serve as guides for academic and career interests by working closely with faculty and staff to provide a comprehensive advising experience for each student's academic journey.

Graduate Advising

Graduate advising for current and prospective graduate students is handled by the major professor or the Area Coordinator for that specific area of study. Faculty contact information can be found in the School of Music Directory (<https://music.ku.edu/directory/>).

Undergraduate Scholarships

Academic Scholarships, as well as grants, loans, and need-based financial aid, are available through Financial Aid and Scholarships (<https://financialaid.ku.edu/understand-aid/>).

Merit Scholarships in Music are also available. Audition application and information is available on the school's website (<http://music.ku.edu/applyaudition/>).

Tuition and Fees

Information about KU tuition and fees is available from the Office of the University Registrar (<http://www.registrar.ku.edu/>). Tuition and fees are set by the Board of Regents and are subject to change.

Graduate Fellowships and Assistantships

Financial Aid and Scholarships (<http://financialaid.ku.edu/>) administers grants, loans, and need-based financial aid, and maintains a net price calculator to estimate your tuition and fees for attending KU.

The School of Music offers Graduate Teaching Assistantships (GTAs) annually to well qualified students. Interested students can apply online (https://kusurvey.ca1.qualtrics.com/jfe/form/SV_9SImbqqrsmSmJsq/) and talk with faculty in their area of interest. For additional information about

graduate assistantships, contact the School of Music Graduate Student Services Coordinator at musicgrad@ku.edu.

For information about music scholarships, fellowships, and awards, see the Funding Resources (<https://music.ku.edu/resources-academic-services/>) section of the website or visit the Graduate Studies (<https://graduate.ku.edu/funding/>) website (see funding & employment) for information about funding opportunities for graduate students at KU.

Tuition and Fees

Information about KU tuition and fees is available from the Office of the University Registrar (<http://www.registrar.ku.edu/>). Tuition and fees are set by the Board of Regents and are subject to change.

University Regulations

For information about all university regulations, see Regulations (<https://catalog.ku.edu/regulations/>) or visit the University of Kansas Policy Library (<http://www.policy.ku.edu/>). A few examples specific to undergraduate students in the School of Music are shown below.

All graduate student regulations can be found in the School of Music Graduate Handbook (<https://music.ku.edu/graduate-handbooks/>) or the Graduate Studies (<https://catalog.ku.edu/graduate-studies/>) pages of the Academic Catalog. If you have additional questions, contact the Graduate Student Services Coordinator at musicgrad@ku.edu.

Absences

The school defines excessive absence as absence in excess of the number of credit hours in the course. A student with excessive absences may be withdrawn from the course by the dean.

Change of School

To change from one school to another, the student must submit an online Change of School form (<https://registrar.ku.edu/change-school/>).

Admission is competitive. Students must have minimum cumulative grade-point averages of 2.75 on a 4.0 scale from all colleges or universities including KU. Music admission is contingent upon a successful audition. Change-of-school applicants must meet the same requirements as transfer applicants.

Credit/No Credit

A Credit/No Credit option is available to all degree-seeking undergraduates. You may enroll in one course a semester under the option, if the course is not in your major or minor. For more information, visit the KU Policy Library (<http://policy.ku.edu/>).

Warning: Certain undesirable consequences may result from exercising the option. Some schools, scholarship committees, and honorary societies do not accept this grading system and convert grades of No Credit to F when computing grade-point averages.

Graduation with Distinction and Highest Distinction

Students who rank in the upper 10 percent of their graduating class graduate with distinction. The upper third of those awarded distinction graduate with highest distinction. The list is compiled each spring and includes July, December, and May graduates.

Honor Roll

Students with grade-point averages of 3.6 who have completed at least 12 hours with letter grades are recognized on the honor roll or dean's list in fall and spring. An Honor Roll notation appears on the transcript.

Incompletes

The letter I should not be used when a definite grade can be assigned for the work done. It is not given for the work of a student in any course except to indicate that some part of the work has, for reasons beyond the student's control, not been done, while the rest has been satisfactorily completed. At the time an I is reported on the electronic roster, the character and amount of work needed, as well as the date required for completion and lapse grade if further work is not completed by this date, should be indicated.

If the instructor specifies that repetition of a portion of the classroom work is required, the student may attend classes but should not officially enroll in that course again.

A student who has an I posted for a course must make up the work by the date determined by the instructor, in consultation with the student, which may not exceed one calendar year, or the last day of the term of graduation, whichever comes first. An I not removed according to this rule shall automatically convert to a grade of F or U, or the lapse grade assigned by the course instructor, and shall be indicated on the student's record.

Extensions to the time limit may be granted by the dean's representative upon submission of a petition from the student containing the endorsement of the course instructor who assigned the I grade, or the department chairperson if the instructor is unavailable. After the I grade is converted to a grade of F or U, the grade may only be changed in accordance with USRR Article II, Section 3 (<http://policy.ku.edu/governance/USRR/>).

Maximum and Minimum Semester Enrollment

The normal maximum enrollment is 20 hours during fall or spring semesters or 9 hours during the summer session. Students may exceed the normal maximum enrollment only with the permission of the dean.

Probation

Students may be dismissed at any time by the dean for excessive absences or for failure to make satisfactory progress in their studies.

A student not on probation who fails to earn a grade-point average of at least 2.0 in any semester is placed on probation for the following semester.

At the end of the semester in which the student has been on probation, he or she is removed from probation if the grade-point average for the semester is at least 2.0, with a minimum course load of 12 hours and a cumulative grade-point average of 2.0. A student whose course load is fewer than 12 hours or whose cumulative grade-point average is below 2.0 continues on probation even if the semester grade-point average is 2.0 or above.

At the end of the semester in which the student has been on probation, he or she is dismissed for poor scholarship if the grade-point average for the semester is below 2.0.

A student who has been dismissed for poor scholarship is not eligible to enroll again at any time, except with the special permission of the dean. A reinstated student is placed on final probation. If the student fails to achieve a minimum grade-point average of 2.0 for the semester, he or she is dismissed, and readmission is not granted.

Students who take courses at other institutions during the suspension may receive credit for such work only if it meets the approval of the dean.

Required Work in Residence

6 of the final 30 hours may be taken for nonresident credit, with advance permission. Nonresident credit may fill only elective requirements not in the major field of study.

Transfer of Credit

CredTran (<http://credittransfer.ku.edu/>) is a transfer course equivalency system that lists more than 2,200 colleges and universities from which KU has accepted transfer courses in the past. If your school or course is not listed, your evaluation will be completed when you are admitted to KU.

Only grades of C or higher are accepted as transfer credit toward degrees.

Graduate University Regulations

For information about all university regulations, see Regulations (<https://catalog.ku.edu/regulations/>) or visit the University of Kansas Policy Library (<http://www.policy.ku.edu/>). A few examples specific to the School of Music are shown below.

Absences

A leave of absence may be granted on request. View the Graduate Studies policy on leaves of absence (<https://policy.ku.edu/graduate-studies/leave-of-absence/>).

Credit/No Credit

The Credit/No Credit option is authorized, as of spring 2012, for graduate students (USRR Article II, 2.2.7). The full explanation can be found in the KU Policy Library under University Senate Rules and Regulations (<http://policy.ku.edu/governance/USRR/>).

Incompletes

The letters W and I may be given. The letter I indicates incomplete work that may be completed without re-enrollment in the course. The letter W indicates withdrawal for which no credit or grade point is assigned. For more information, see USRR Article II, Section 3 (<http://policy.ku.edu/governance/USRR/>).

Maximum and Minimum Semester Enrollment

The normal maximum enrollment is 16 hours during fall or spring semesters or 6 hours during the summer session. Students may exceed the normal maximum enrollment only with the permission of the dean. International students must comply with the credit requirements for their visa status.

Probation and Dismissal

Upon falling below a cumulative graduate grade-point average of B (3.0), computed with the inclusion of grades earned at KU for all courses acceptable for graduate credit, the student is placed on probation by the Graduate Division of the school or college. The grades of P, S, U, and I, for which no numerical equivalents are defined, are excluded from the computation. If the student's overall graduate average has been raised to B by the end of the next semester of enrollment after being placed on probation, the student may be returned to regular status. If not, the student is not permitted to re-enroll unless the Graduate Division acts favorably on a departmental recommendation from the student to continue study.

For more information regarding Probation and Dismissal, see the Graduate Studies Policy library (<https://ogs.ku.edu/policies/>).

Required Work in Residence

For information about the doctoral residence requirement, see the Graduate Studies (<https://catalog.ku.edu/graduate-studies/>) section of the online catalog.

Transfer of Credit

View the Graduate Studies policy on graduate credit, including transfer credit, in the Graduate Studies section of the online catalog or the KU Policy Library (<http://policy.ku.edu/>).
