Pre-Major Preparation

The below pre-majors allow students to start out in the College of Liberal Arts and Sciences while completing prerequisites, if you were not directly admitted into a School or if the program you are interested in requires specific classes to be considered for admission.

Meanwhile, you’ll be classified in one of the following ways:

- Prebusiness ([http://catalog.ku.edu/business/](http://catalog.ku.edu/business/))
- Preclinical laboratory science ([http://catalog.ku.edu/health-professions/clinical-laboratory-sciences/](http://catalog.ku.edu/health-professions/clinical-laboratory-sciences/))
- Predentistry ([http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/](http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/))
- Pre-education ([http://catalog.ku.edu/education/](http://catalog.ku.edu/education/))
- Pre-education (elementary) ([http://catalog.ku.edu/education/curriculum-teaching/](http://catalog.ku.edu/education/curriculum-teaching/))
- Pre-education (secondary) ([http://catalog.ku.edu/education/curriculum-teaching/](http://catalog.ku.edu/education/curriculum-teaching/))
- Pre-education (sport science/community health) ([http://catalog.ku.edu/education/health-sport-exercise-sciences/](http://catalog.ku.edu/education/health-sport-exercise-sciences/))
- Pre-education (p.e./health teacher education) ([http://catalog.ku.edu/education/health-sport-exercise-sciences/](http://catalog.ku.edu/education/health-sport-exercise-sciences/))
- Pre-engineering ([http://catalog.ku.edu/engineering/](http://catalog.ku.edu/engineering/))
- Prehealth information management ([http://catalog.ku.edu/health-professions/health-information-management/](http://catalog.ku.edu/health-professions/health-information-management/))
- Prehealth professions ([http://catalog.ku.edu/health-professions/](http://catalog.ku.edu/health-professions/))
- Prejournalism ([http://catalog.ku.edu/journalism-mass-communications/](http://catalog.ku.edu/journalism-mass-communications/))
- Prelaw ([http://catalog.ku.edu/liberal-arts-sciences/prelaw/](http://catalog.ku.edu/liberal-arts-sciences/prelaw/))
- Premedicine ([http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/](http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/))
- Prenursing ([http://catalog.ku.edu/nursing/](http://catalog.ku.edu/nursing/))
- Pre-occupational therapy ([http://catalog.ku.edu/health-professions/occupational-therapy/](http://catalog.ku.edu/health-professions/occupational-therapy/))
- Pre-optometry ([http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/](http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/))
- Prepharmacy ([http://catalog.ku.edu/pharmacy/](http://catalog.ku.edu/pharmacy/))
- Prephysician’s assistant ([http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/](http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/))
- Prerespiratory care ([http://catalog.ku.edu/health-professions/respiratory-care/](http://catalog.ku.edu/health-professions/respiratory-care/))
- Presocial welfare ([http://catalog.ku.edu/social-welfare/](http://catalog.ku.edu/social-welfare/))
- Preveterinary medicine ([http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/](http://catalog.ku.edu/liberal-arts-sciences/premedical-professions/))

1 These are graduate programs at KU. If you’re interested in these programs, please consult your academic advisor for more information.
2 KU doesn’t offer these degree programs. Students may indicate interest in these areas as preparation for programs at other colleges and universities.
