Bachelor of Arts and Bachelor of General Studies in Public Administration

The undergraduate major in public administration offers students the necessary knowledge and skills for planning, implementing, and evaluating public programs. Students learn to think critically and analytically about public policy and will also acquire skills that make them more effective citizens in their own communities. Students can complete an internship for credit towards their degree. Examples of past internship placements include: Johnson County, Kauffman Center, Harvesters, Golf Course Superintendents Association of America, City of Roeland Park, YMCA, Governor’s Internship Program, Youth Volunteer Corps of Kansas City, America Reads and Army Corps of Engineers.

Our graduates work in such settings as local and state government, nonprofit organizations, and private sector businesses.

Introductory classes in public administration are offered in Lawrence and at the Edwards Campus in Overland Park. Courses to complete the major and minor are offered at the Edwards Campus.
