Total Hours 120

¹ Please note that the Bachelor of General Studies degree requires completion of a single BGS major AND a secondary field of academic study (a second major, co-major, or minor). This sample plan is based on the completion of a minor. If a second major is selected instead, elective hours on plan will be needed for these additional major requirements.

² No more than 3 hours of SPAA 691 may count toward the major.

³ SPAA 691 Internship Experience is typically taken to fulfill KU Core Goal 6. If SPAA 691 is not taken for Goal 6, another Goal 6 course will need to be taken. This may require that an undesignated elective be used to fulfill a pre-requisite for a Goal 6 course.

⁴ Hour requirements (incl. 45 jr/sr hrs) are typically met through KU core, degree, major, second area of study and/or elective hours. Students completing the BGS with a major must choose a secondary area of study. Individual degree mapping is done in partnership with your advisor.

Please note:

All students in the College of Liberal Arts and Sciences are required to complete 120 total hours of which 45 hours must be at the Jr/Sr (300+) level.

The same course cannot be used to fulfill more than one KU Core Goal. However, overlap of a KU Core course with a major or degree-specific requirement is allowed. Overlapping is recommended to allow more opportunities to explore other majors and/or minors.
