

Minor in Urban Planning

The minor in urban planning addresses the health, welfare, and sustainability of our cities, towns, regions, and natural and rural areas. Planners seek to enhance overall quality of life by assessing aspects of communities such as housing, land use, transportation, and responsible development that preserves the natural environment.

Undergraduate Admission

Admission to KU

All students applying for admission must send high school and college transcripts to the Office of Admissions. Prospective first-year students should be aware that KU has qualified admission requirements that all new first-year students must meet to be admitted. Consult the Office of Admissions (<http://admissions.ku.edu/>) for application deadlines and specific admission requirements.

Visit the International Support Services (<http://www.iss.ku.edu/>) for information about international admissions.

Students considering transferring to KU may see how their college-level course work will transfer on the Office of the University Registrar (<https://registrar.ku.edu/credittransfer/>) website.
